Seller [Signature] Seller Laura Fried
 Date 4/26/08 Date 4/26/08

Advisory to the buyer

Even though seller has answered the above questions to the best of the seller's current actual knowledge, buyer should obtain expert assistance to accurately and fully evaluate the property regarding use and access, water, sewer, utilities, environmental and geological conditions, noxious weeds and other matters that may affect buyer's use of the property. Valuable information may be obtained from various local/state/federal agencies and other experts may perform more specific evaluations of the property. Boundaries, location and ownership of fences, driveways, hedges and similar items may become matters of dispute. A survey may be used to determine such matters.

The contract between the seller and the buyer controls if any item is included or excluded in the purchase of the property.

Buyer acknowledges that seller does not warrant that the property is fit for buyer's intended purposes or use. Buyer acknowledges that seller's indication that an item is "working" is not to be construed as a warranty of its continued operability or as a representation or warranty that such item is fit for buyer's intended purposes.
